Start Your UC Davis Journey with Avenue

IN COLLABORATION WITH LOS RIOS, PERALTA, SAN JOAQUIN DELTA AND CONTRA COSTA COMMUNITY COLLEGE DISTRICTS.

Avenue provides a smooth transition from community college to UC Davis for students interested in Engineering or Computer Science.

Avenue Criteria

To be eligible to apply for Avenue, students must be enrolled at one of four community college district partners; Los Rios, Peralta, San Joaquin Delta or Contra Costa. Students must have a desire to transfer to UC Davis, plan to major in engineering or computer science and meet the minimum Engineering Transfer Admission Guarantee (TAG) GPA requirements. Students must also possess a demonstrated commitment or potential for leadership to positively impact the elimination of barriers facing women and other members of underrepresented groups in computer science and engineering careers and/or be from families in which neither parent holds a bachelor's degree.

Apply for Avenue

Take the first step by creating your UC Transfer Admission Planner (TAP) account and checking the Avenue box under UC Davis transfer programs to indicate your interest. Contact your academic advisor for more information.

AVENUEE.UCDAVIS.EDU
What Can AvenueE Offer You?

- Availability of financial awards for qualified students.
- Opportunity for academic enrichment: tutoring, peer mentors and targeted advising.
- Intensive summer residential programs for community college students prior to enrollment at UC Davis:
  - Summer study program prior to entering your final year at community college.
  - Paid transfer bridge program prior to starting your first quarter at UC Davis.
- Group outings, social activities, speakers and workshops that provide opportunities to engage in peer-to-peer learning, community building and career exploration.
- Industry tours, summer internships, mentorship and research experiences that will strengthen the connection between coursework and application of engineering design principles.
- Guidance with the UC TAP and the TAG process.
